Hello Gemma

To advise a donation of £100 has been received from Gt Withingham PCC (Church) as a result of the church concert held in December. It is subject to return should the playground not go ahead for any reason within the next two years from date of cheque (29/1/19). The condition mirrors that of the Fuel Allotment Charity the offer of which was accepted at the January meeting so I am assuming this will be a recommendation in the report to the parish council March meeting of acceptance. In this respect I will bank the cheque.

I have sent an acknowledgement to the church treasurer, and will formally deal after the March meeting.

Kind regards
Mrs Patricia Kirby
Clerk to the Council

Dear Mr Beaumont & Councillors of Gt Witchingham PC

I understand from Mrs Kirby your parish clerk that the Parish Council has requested an update from me on the outstanding issue I agreed to seek a response to. I apologise for the delay in replying to this matter which has been due to the time needed to have sought guidance from the officers at Broadland and my response is as follows:

My understanding is that the final outstanding issue (other concerns in the matter having been resolved by the parish council to accept) relates to the refusal of BDC's Overview & Scrutiny Committee to address the Parish Council's concern of the hierarchy of investigation of senior officers following complaints made to BDC.

This process for dealing with complaints is set out in the District Council's Constitution, which is the document which details the rules and regulations under which the Council operates to ensure its decisions are made in a legal, open and transparent way. There is a process to go through if the Council wishes to amend its Constitution (save for minor amendments which are delegated to the Monitoring Officer to undertake). This process requires any changes to be considered initially by the Cabinet. All reports which go to Cabinet are automatically discussed by the Overview and Scrutiny Committee. With respect there is no scope for any external party, organisation or individual to request the Council to amend its Constitution. Changes can only be proposed by the Council's officers or a BDC elected member. My understanding is that Cllr Woodbridge had previously been asked to seek an amendment to the Constitution to provide a "third party adjudication process" but he was unwilling to support this proposal. It is a matter for Cllr Woodbridge to explain his reasoning for taking this stance but it would not be unreasonable to assume that he was content with the current arrangements. From my perspective and having taken the time to speak with council Officers on the internal process and procedures involved I too have taken the view that the process, as set out below, is fit for purpose.

To remind you the process is as follows. Any formal complaint is processed through the Council's internal complaints procedure. Under the terms of the Constitution this will be processed by the Monitoring Officer with the outcome conveyed to the complainant. If the complainant remains unsatisfied with the outcome then they have the opportunity to appeal to the Local Government Ombudsman. The LGO is truly independent of the Council and reaches a decision based on the evidence provided by the respective parties. For the record the LGO has found against the Council in some cases in the past which disproves any allegation that appealing is a fruitless exercise. It is a fundamental principle of the LGO process that they will not consider any appeal unless the relevant Council's internal complaints process has been exhausted. In view of the neutrality and independence of the Ombudsman service, which operates across the whole of England, I do not accept that there is a case to be made to change the existing arrangements.

Finally I am advised that at the last parish council meeting you were elected as Chairman and may I congratulate you on your appointment. In addition I understand that 4 new members were co-opted on giving the parish council a full slate of members. Hopefully the parish can now move forward in a positive and constructive way, especially if we can put the above outstanding matter to bed.

The Monitoring Officer advises me that he is working with your clerk to provide some information literature with a view to holding and attending a general meeting of the parish (and I understand suggested timing would be as soon after the May elections) which will allow for questions to be addressed and with such literature subsequently available for issue at meetings -covering matters such as the clerk's contract, working hours, responsibilities and additional hours/overtime arrangements aimed at making the public more informed. I am sure your clerk will keep the parish

council informed on this matter. Again it is hoped that getting this information out in the public arena will dispel a lot of the myths and rumours circulating amongst parishioners.

Regards,
Greg Peck

Great Witchingham Parish Council Standing Orders

Standing orders are the written rules of a local council. They are used to confirm a council's internal organisational, administrative and procurement procedures and procedural matters for meetings. They are not the same as the policies of a council but they may refer to them. A local council must have standing orders for the procurement of contracts.

Councillors, the Responsible Financial Officer, the Proper Officer and meetings of the full council, are subject to many statutory requirements. A council should have standing orders to confirm those statutory requirements.

The LGA 1972 s. 101(1)(a) permits a council to appoint committees and sub-committees. Therefore a council should also have standing orders to control the number, place, quorum, notices and other procedures for meetings of committees and sub-committees because these are subject to fewer statutory requirements. If it does not, committees and sub-committees may adopt their own standing orders. The LGA 1972 further permits, unless the council determines otherwise, that a committee may appoint a sub-committee whose terms of reference and members shall be determined by the committee. Working Groups can be established to deal with topics of a specific nature and can consist of Councillor(s), Officers and other individuals and unless otherwise stated in the terms of reference, report to and makes recommendations to the constituting body.

The meetings of committees and sub committees of Great Witchingham Parish Council follow the standing orders adopted for meetings of the full council unless otherwise stated.

Standing orders that are in **bold type** contain statutory requirements and are therefore mandatory. Other standing orders not in bold type do not contain statutory requirements and are designed and adopted to suit the council's needs and allow Great Witchingham Parish Council to operate effectively.

For convenience, the word "councillor" is used in these standing orders and includes a non-councillor with or without voting rights unless otherwise stated.

A 'non-councillor' is a member of a committee (including a joint committee) or sub-committee (including a joint sub-committee) of a local council who is not a councillor. The LGA 1972 s. 102(3) empowers a parish council to appoint non-councillors to council committees and sub-committees. Only in extremely limited situations do non-councillor members of a committee or a sub-committee enjoy voting rights and generally non-councillor members of a committee or a sub-committee do not have voting rights.

These standing orders do not include Financial Regulations. Financial Regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The Financial Regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the Responsible Financial Officer.

Hello Dean

Comments are noted.

Re the sign located at Attlebridge - if the nearby property/resident does not replace the battery then why do they have it??

It is recorded in previous minutes that the deployment of the sign in Attlebridge needs addressing - why does/has GWPC taken responsibility for deploying this? We have had difficulty managing our own locations!! While there might be an agreement between the two parishes to 'lend' equipment which appears to be FOC, I consider the deployment should be addressed by the PC - does our insurance cover such task in another parish or do we need to be so generous. There is always the matter of dealing with a situation should GWPC fail for whatever reason to stick to the NCC agreement.

Re the risk assessment. I note what you say however without concluding the matter with NCC how do we know we are in compliance. For example the deploying may need to be undertaken by two people. I am not saying this is the case but without evidence the council cannot be sure we have covered/addressed any risk.

You mention brackets however as you are aware the budget approved at the January meeting could not allow for purchase of such.

I note you say you deployed signs with the agreement of the council however I have no record and minutes since I have been in post make no reference/agreement to this.

I am still of the opinion that the matter needs to be pursued with NCC - contact details previously provided. This will be an agenda item for March and I will certainly advise council of my opinion which I will minute together with the decision.

Kind regards

Hello Patricia,

I know the person where the sign is at Attlebridge does have a battery on site.

I don't think they change it, if this is the case the sign would not have been working for some time.

In regards to risk assessments I do make sure I have the correct personal protective items such as a reflective vest for when I'm on the road.

I'm only on the road at Attlebridge where I have to get items out of car.

At Lenwade, the current site is accessed via the pavement.

The other site near lenwade house in on the pavement.

I feel when we get a bracket for that site we need to implement a plan to access that site.

It may be the case that I have to park my vehicle off the road and use the pavement to access post.

I use a step to allow me to lift signs and batteries in place.

If this becomes to much of an issue we may need to look at getting a small step ladder/step.

I do have the software on my pc and can download the data from the signs.

I did the signs before with approval from the pc.

Please let me know if this is all that is required as I would like to get the signs up and running again.

Kind Regards

Dean Bailey

Hello Dean

I have the majority. There is/was currently a sign still located in Attlebridge which I know has/had been there for months and in view of this contravening the H/W agreement it may have well been removed. I also understand the nearby property hold a replacement battery. I am unsure if the property owner takes responsibility for replacing the battery.

I also understand that you still have a piece of software that is required for downloading the data captured.

I did pick up from the last meeting (at the time of the budget/precept setting discussion) that you indicated you would be prepared to do this task again and was to contact you to clarify so that this can be formally agreed by council. There is currently an outstanding matter being pursued thru highways in respect of the risk assessment for deploying these and communication is attached. Maybe you can pursue this - the h/w rep has changed and is Ben Rayner. Please copy me in.

Once you are satisfied that you can confirm on behalf of the PC then your role can be formally approved and I suggest this is at the next meeting. Appreciate you have carried out this task before (but this was not with the knowledge of the PC) so should be plain sailing!. I will add to the March agenda.

Good Morning Patricia,

I wanted to update you on the situation with footway lighting as it has been a while since we were last in contact. As I think you are aware, the Council was not successful in transferring the lights we are currently responsible for back to Norfolk County Council.

The Council has since been in discussions with the some of the other parishes we are the lighting authority for regarding the transfer of the lighting to them. Wroxham have confirmed they will be taking responsibility for their lighting, and Freethorpe have confirmed they want their lights turning off. We are also in discussion with Drayton and Hellesdon about the possible transfer of the lighting in their parishes.

If these 2 parishes agree to manage their own lighting, this would only leave Gt Witchingham under the management of BDC. We would like to open discussions again with yourselves about the possibility of the PC taking on the 15 columns we are currently responsible for, which are located as follows:

- 1 on Common lane opposite rose cottage,
- 1 in Hall walk outside 4 and 6,
- 2 in Heath close opposite the junction with Heath close and outside 14,
- 1 on Kings head terrace to the rear of 55 Fakenham road.
- 1 Lady's row outside number 9
- 7 on Lenwade street
- 2 on Morse Close
- 15 in total.

Please let me know if I can provide any further information to help inform your decision.

The lights have been fully maintained and have been electrically and structurally tested. We would happily share the findings of these surveys, and also share with you the maintenance schedule we follow to ensure the lights are safely managed.

I look forward to hearing from you.

Dear Parish Clerk,

Further to my previous email, I am writing to update you on the Councils progress with footway lighting. We have served notice on Norfolk County Council and are currently in discussions with them regarding this. There has been an update regarding the adoption of lighting on new developments. A report will be going to the November Cabinet to recommend that the Council will not be adopting any new lighting in the 5 areas which it is currently the Lighting Authority for. If we cannot transfer the lighting to NCC, this will affect those of you who requested the Council to continue managing the lighting stock in your parish.

The issue of lighting has moved on since the original cabinet decision in December 2017, and it is now felt that to take on additional lighting is not in the Councils interest, and that any proposed lighting on new developments should be decided on at a local parish level. It is felt that if lighting is required on a new development then this could either be managed by the Parish Council or the developer would need to look at another option such as setting up a management company.

If you would like to discuss this further please do get in touch,

Kind regards

Dear Mrs Kirby

Breckland Local Plan and Policies Maps - The Town and Country Planning (Local Planning) (England) Regulations 2012.

**Notification of public consultation on Main Modifications to the Breckland Local Plan
18th February 2019 and 5pm 1st April 2019**

The new Local Plan is currently subject to independent examination by the Planning Inspector Jonathan Manning BSc (Hons) MA MRTPI, who will determine whether the plan is sound and legally compliant. The Inspector has reviewed written representations and explored Matters and Issues through a series of public hearing sessions held last year. As a result, the Inspector has proposed amendments to the plan, known as Main Modifications. Main Modifications materially alter the Plan or its policies and can only be recommended by the Inspector to resolve problems that would otherwise make the submitted Plan unsound or not legally compliant.

The public hearings part of the examination into the soundness of the above development plan document was completed on 20th September 2018. Following this the Independent Examining Inspector, Mr Jonathan Manning, has requested that the proposed Main Modifications to the Local Plan be publicised so that interested parties can express their views on these changes. This consultation only relates to modifications to the plan and therefore comments will only be accepted if they relate to the proposed modifications to the Breckland Local Plan.

The Council have published a number of documents to support the consultation:

- (A) Breckland Local Plan Schedule of Main Modifications (Doc Ref: EX.123);
- (B) Breckland Local Plan Schedule of Minor Modifications (Doc Ref: EX.124);
- (C) Breckland Local Plan Examination Version (Doc Ref: EX.125);
- (D) Policies Maps subject to change (Doc Ref: EX.126 A-Z);
- (E) Breckland Local Plan Sustainability Appraisal Main Modifications Report (Doc Ref: EX.127 Appendices A - E);

(F) Breckland Local Plan Main Modifications Habitats Regulation Assessment (Doc Ref: EX.128);
