

# NAPPIES ARE RUBBISH NOT RECYCLING

**PLEASE DON'T PUT NAPPIES  
IN YOUR RECYCLING BIN**

It takes just **one** nappy to  
contaminate your recycling!  
**Your recycling bin could be rejected  
if you put the wrong items in it**

For more information about recycling please visit  
[www.recyclefornorfolk.com](http://www.recyclefornorfolk.com)

This information has been brought to you by  
Recycle for Norfolk - your local councils working together.
