The Community Speed Watch team are looking to bolster their existing the Taverham team and to set up a new team in the Drayton area.

Community Speed Watch was launched in 2007 and is a project working across Norfolk empowering communities to play an active part, alongside the Police and the Safety Camera Partnership, in tackling the problem of speeding vehicles in their neighbourhoods. Volunteers are given full training, and only carry out speed checks at sites that have been risk assessed by the Police.

Checks are carried out in 30mph and 40mph speed limit locations around the Town. The volunteers monitor and record the details of speeding vehicles. The recorded data is then forwarded onto the Safety Camera Partnership Team. The S.C.P.T will then send warning letters to the registered keeper of offending vehicles; persistent offenders are visited by Police.

The Safer Neighbourhood Teams priority setting meeting, held back in back in March, and June have highlighted that the community have concerns regarding speeding vehicles and road safety issues. Community Speed Watch plays a key role in assisting with the promotion of speed reduction and road safety. C.S.W really does assist in reduction of local speeding issues.

Please contact me if you wish to get involved and support this worth while project. Regards Vicky

### WHAT'S HAPPENING IN YOUR AREA?

The warmer weather appears to have finally arrived and with this more of us are venturing out and about. With this in mind Norfolk Police have a new initiative which we are calling Park, Walk and Talk #ParkWalkTalk.

We are repeatedly told by the community that they want to see more of the police and a mere 'drive through' does not result in the same outcomes as meaningful engagement. Getting out of the car and speaking to the public can act to reassure but also lead to us better understanding community concerns and even gaining valuable information.

#ParkWalkTalk will see officers driving out to their parishes and towns, parking up and walking around the local community, taking advantage to stop and chat with local residents and business owners.

If you see me out on foot beat, give me a wave, or even better, walk with me and have a chat!

Stay Safe, Colin

#ParkWalkTalk.
