Local Policing
Commander for -
Reepham and
surrounding areas

Message from Inspector Rob Wicks

On behalf of my team I would like to wish you all a happy and healthy New Year, I hope that you all had a lovely time over the festive period. Policing like the other public sector jobs does not stop over Christmas ensuring that we continue to meet the needs of the community.

The dark, wet evenings have led to an increase in road traffic collisions, please ensure that you leave plenty of time to complete your journey, factoring in weather conditions. Broadland Police Officers have been actively involved in the ongoing drink drive campaign and are sadly still stopping persons who have consumed alcohol above the legal limit, if you decide to drink then please do not drive seeking alternative ways to get home.

Common with all policing areas we are receiving sporadic reports relating to drug use which has led to two search warrants being conducted thereby disrupting such behaviour. Should you have information relating to this or any other crime please share the information with the police or you want to remain anonymous you can contact Crimestoppers on **0800 555111**

Your local beat manager PC Colin Bailey What is happening in your area.

Whenever we hold meetings or people talk to us when we are on foot beat, the two main concerns talked about are speeding and parking issues within the area.

Speeding seems to be an issue across the area but we all need to do our bit, if you drive through your village at 30mph the car behind can't go any faster, A lot of the villages now have recording data devices and some recorded speeds would see some drivers in court and banned. Below is a paragraph taken from the Norfolk Police site.

"Excess speed for the conditions, or the limit, is one of the main reasons for accidental deaths and injuries on our roads. Speed limits are there to protect road users warning them of the dangers of the road and if caught speeding you could instantly face a minimum of a £100 fixed penalty and three points on your licence or attend court."

As a result of these concerns, Speeding has become one of my priorities for the next few months and with the help from Road Traffic Police, we will be carrying out speed checks in the area to try to address this problem.

The other issue of parking is mainly directed at issues around schools at drop of and pick up times, so please be mindful of the neighbourhood and where you park. It's for you and your children's safety.
