COLD CALLING DON'T BUY IT!

We are working in partnership with Norfolk County Council Trading Standards. If you are cold called we offer the following advice:

- If someone cold calls at your property, remember it is your doorstep so your decision whether you even answer the door, if you can check through a doorbell camera, spy hole or look from a window to see who is there
- Think about your home security, make sure other doors to your property are locked before answering the front door
- If the person is offering services or trying to sell something politely but confidently say you are not interested and close the door
- If the person is claiming to represent an authority, organisation or charity ask to see ID. If ID is offered, ask if you can take it to check its validity. If you are given the ID close the door and contact the company or organisation on the ID by a number you find online. DO NOT use information on the ID, it could be fake

If no ID is offered, the caller refuses to let you check it, or you can not verify it is genuine politely but confidently say you are not interested and close the door.

- As the cold caller leaves, if you can safely from inside your property watch and see:

Do they go to call at neighbouring properties?

Do they return to a vehicle, is it sign written, note down the registration plate, make and model?

Are they alone or working with others?

Note down a description of the cold caller, why they were calling, who were they representing – all of this information is very useful to Trading Standards and the Police.

You can report doorstep cold calling incidents to us via our partners the Citizens Advice consumer helpline on freephone 0808 223 1133 or to Norfolk Constabulary on 101 or www.norfolk.police.uk. If you feel threatened or have concerns for vulnerable neighbours always dial 999.
