We are always being made aware of scam phone calls, text messages and emails etc.

If you receive a fake message, forward the text, including phone number or company name, to 7726. It won't cost you anything and means your phone provider can investigate. If you responded to a scam text and provided your bank details, contact your bank immediately.

Spread the message about the Silent Solution so that people are aware. This could help to prevent abuse from happening. When dialling 999, if speaking or making an immediate sound would put you in danger, stay on the line and press 55 when prompted and the call will be transferred to the Police who will know it is an emergency call.

Stay safe,

Vicky

WHAT'S HAPPENING IN YOUR AREA?

Hello to everyone,

I hope you and your families are well.

During the past month I have been keeping up with my high visibility patrols around the Parishes, especially in public areas and recreation grounds. I am pleased to say that the levels of minor crime and anti-social behaviour have been very low. In light of the strange year we have all faced this is very encouraging.

As we go through into the Autumn I will continue my high visibility patrols in Parishes and public spaces. I am hoping we get some more good weather to enable everyone to enjoy their outdoor activities. As always, please contact Police if you witness any issues taking place whilst you are out and about.

Within the next few weeks I will also be visiting all of our local Schools. This will give me the opportunity to introduce myself to the new pupils and engage with students who already know me. I will also be liaising with Head Teachers in relation to giving a Police talk / input to all year groups.

Regards, Colin

Colin
